

NylonChainsSlidingSeries

Sliding Series - inner width from 61mm to 539mm, inner height from 30mm to 81mm

- Wide range of cross pieces available in the following types:
 - Open and close, with a "Snap-Fit" action
 - Aluminum rods
 - With Pre-Drilled Holes
- Nylon separator. Cables can be laid apart from each other
- Triple connecting Pivot Pin which offers high integrity in high performance applications
- Inner surface of chain completely smooth
- Integrated skids which permit the chain to slide on itself. No wearing thanks to special polymers
- Special End Brackets on moving end of chain
