

HaloX 100 Housing & Frontpart with fibreboard

for on-site mixed concrete

HaloX® for on-site mixed concrete. The versatile system with a range of different front rings enables the planning and use of virtually any lighting and speaker manufacturer, regardless of whether the shape is round or square.

- Toolless combination entry for M20/M25 conduits
- Conduit entry limitation to prevent the need to shorten the conduit inside
- Universal front part with fibreboard for luminaires and speakers with hole diameter and Ø0-100mm.
